ALEX-NORD OIL

SPOLEČNOST S RUČENÍM OMEZENÝM

The company "ALEX-NORD OIL" is a dynamically developing company engaged in the wholesale sale of petroleum products in the territory of the European Union and abroad, namely:

- Aviation fuel
- Liquefied gas
- Diesel fuel
- Fuel oil

We carry out the wholesale sales of petroleum products produced by leading Kazakh and Russian refineries. The main priorities are the stable supply of petroleum products, product quality and the trust of our customers.

Our goal is to be a long-term supplier and partner in business relationships built on mutual trust and respect.

We work exclusively with manufacturers who have established themselves as reliable partners that produce only high-quality products.

РОСНЕФТЬ

MISSION

Ensure stable and long-term business growth
To be a reliable supplier of petroleum products in the global market

A large number of companies are working on the current market for oil products sales, however, finding a serious, competent and responsible supplier is a rather serious problem. Avoiding risks will be helped by contacting a reputable company that will clearly accept all your requests, as well as quickly and accurately fulfill your order. Such is our company!

PURPOSE

SLOGAN

Always profitable together!
